Dear Parent/Carer

We e-mailed earlier in September to update you all on *School Gateway*, our new communication tool for school wide text messages and for online payments. Thank you to everyone who has signed up for this already. Can we please encourage all parents to download the app where possible - this enables free messages to be sent and avoids any text message costs or yourself and school.

The easiest way to interact with your school

Welcome to School Gateway

We are now using *School Gateway*, an essential tool to keep you informed about what's going on at school. It keeps everything in one place, behind one login, so you can easily keep in touch

Payments & Dinner Money

School Gateway is simple, safe and secure to use. You can make payments using a debit or credit card – or use superfast 'Bank Transfer'. You can check balances and pay for dinners, trips and other items at any time.

Download the FREE app to your phone

Yours sincerely,
