Dear Parents/Carers,

School Communication

We would like to remind parents of 2 important communication systems we use in school and ask all parents to download the Apps where they can. By downloading and using an App rather than sending text messages this avoids charges for both yourself and school.

School Gateway

We use School Gateway for school wide communication and also to take online payments. You can check dinner money balances, pay for weekly snack money and other items easily.

The majority of school wide communications will be emailed out to you so it is really important that we have the correct email addresses on our systems. We encourage parents/carers to check junk or spam folders as unfortunately emails can often arrive there. Any emails/letters are also uploaded to our website.

MyEd App

The class teams use MyEd for daily/weekly communication to keep you updated on how your child is doing and whether anything needs to be sent into school. You can also report your child absent from school via My Ed and it contains a number of useful links i.e.; to our website.

If you have any queries accessing either of the above then please contact the school office.

Yours sincerely,

Sarah Johnson
School Business Leader
